- July 27th Rangers & Frontiers classes only  
Glacier Park Field Trip 10:30 – 3:30

## Frontier's Classroom

We are sad to say this but Ms. Saeram's last day will be July 7th. She will have family visiting her for the remainder of the summer and pursuing a position in a school district. Good Luck and we will miss you! Ms. Annemarie and Ms. Sami will remain in the class until we hire a new candidate by the end of August.

## ATTENTION

- If your child was sent home in clothing and it is marked NSEC, please wash and return the items.
- It is very important to take your child's nap and swim items home on the last day of the week that they attend. Please launder all items and RETURN them for the next week. Thank you
- With as active as the children are, if your child is in a dress, it is best to put shorts on them under it for better coverage.
- Water bottles are encouraged to be here daily with your child. However, they must contain only WATER!
- We provide a breakfast to children from 7:00am – 7:30am. Food brought in from home is not allowed per McHenry County Department of Health regulations. Please have your child finish their breakfast at home or before they enter.

ARMY victory TY victory

**Donuts & Dino's with Dad**

We hope all that attended our Father's day event had a great time hanging with us for the morning and enjoyed the reptile show. The children loved having you and enjoyed making your present.

**McHenry County Conservation District**

We had a lesson in plants presented by a MCCD staff. Everyone loved her songs and re-enactment of plant growth. MCCD comes several times throughout the year and brings us educational and entertaining programs that teach a lesson through fun hands on interaction. Check out their website [www.mccd.org](http://www.mccd.org) They have so many fun activities planned for families on the weekends and weekdays.

**The Ranger's and Frontier Classroom had a blast at Galt Airport! Thanks to all our chaperones for your help!**
