You're making a Difference!

Thank You Ms. Julie for making us such delicious, nutritious meals. You cook, clean, drive kids to school and keep our laundry going so we can run smoothly every day! You're such a hard worker and we appreciate all you do! Thank You

With the cooler weather approaching and the thought of cuddling up with a good book, we would like to recommend this wonderful book to read. This book is great for parents, grandparents, teachers and anyone who is around children.

The philosophy & studies that inspired us to create Nature's Scholars is present throughout this book. I was so excited to see it written by a therapist and backed up by Richard Louv, who started the whole Nature Deficit Disorder movement.

A must read this winter!

Crafts, games and special activities are being planned. Please no weapons, scary costumes or blood. Please send your child in their costume in the morning but provide a change of clothing and bag for the costume so we can change them out after the party.

Our Patriot Day posters were delivered throughout the area to say Thank You to our area HERO'S. Posters were dropped off at McHenry VFW, Centegra Hospital Emergency Room, Johnsburg police Department, McHenry Township Fire Protection District and the U.S. Marine recruiting office in McHenry. Nature's Scholars representatives that helped deliver the posters were Olivia C., Cameron M., Dahlia P., Max E., and Landon H.

Please provide rain boots or waterproof shoes/boots during this transition to winter. If your child is not signed up for our Tuffo Suit program please see front office for details.
