Coming Up

- Our **Valentine's Day Party** will be on Tuesday, February 14th. Party treat sign- up sheets will be posted outside of each classroom door in February. Valentines cards are encouraged but please do not address them to specific children. Have your child's name or signature on them. Please note that classroom helpers will have to be limited to what is listed on the sign-up sheet. When extra adults attend, the room gets over crowded. Also, if you have helped in previous parties please do not sign up again so other parents have a chance to help. Thank you for your understanding.
- **Hearing and Vision Screening** for children 3 years through 5 years old will be conducted on Monday, March 20th between 9:00 – 11:00 am by the McHenry County Department of Health. This is required by DCFS regulations but does not count as an eye exam for students entering kindergarten in Fall of 2017. The children will be practicing these games used in screening prior to testing day so we can get the most accurate results. More information will be sent home in March.

Santa!

We had a visitor on polar express day. Even adults need to tell Santa what they want for Christmas.

Happy New Year 2017

From our family to yours, we wish you a safe and prosperous New Year! Thank you all for your continued support and trust in us. It is a blessing to have the opportunity to be a part of your children's life.
