Coming Up

- Each classroom has a summer class list posted by their door. Please highlight your child's name and days if they are correct. If they are not, please see Ms. Mary
- Summer activities are almost confirmed. Look for a summer calendar to come out soon. As a reminder, all students will have an activity fee to cover these special days and in-house special guests and entertainers. Frontier's and Rangers classrooms will have a slightly higher fee and in addition to the in-house special guests will include 3 additional off site field trips, t-shirt and materials for special projects and experiments. Look for the packets to be distributed in the next few weeks.
- On Saturday, April 8th the staff will be attending an Early Childhood Conference at UW-Whitewater. They will bring back so many fun ideas to share and try in their classroom and have some fun bonding time together as well.
- As per the parent handbook our minor rate increase will take effect the week of June 5th. Look for a separate email in the next week announcing the new tuition rates with an attached rate sheet.
