with Dad 9:00 am, 10:00
Mr. Fun Wizz show.

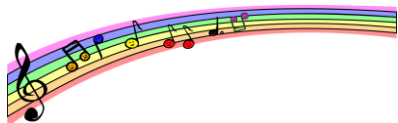

Playground Musical Garden

Thanks to everyone who participated in our fundraiser this winter, we were able to cover almost ½ the cost of our instruments.

We can't wait to hear the beautiful Musical melodies the children will make.

Look for installation mid June!

Reminders

- Please be sure to sign up for the Mother's Day Tea Party on the sheet posted by your child's classroom door if you plan on attending. We need a head count so we can plan our festivities
- With the cool mornings and warmer days, please provide layers of clothing so we can teach the children to self-regulate their temperature when outdoors? Thanks
- For those of you staying for the summer, the information packets will be out in the next week or so. Read it in its entirety! Fun things to come! Remember chaperones will be needed so watch for sign-up sheets!
- All children should have their own bottle of sunscreen/bug lotion in their classroom. No sprays or aerosols please. Make sure that they do not have expired dates as well.
- Watch for our garden to start taking shape. Classrooms will be planting their selection at the end of the month. If you have any leftover flower/vegetable plants needing a home keep us in mind.

SPECIAL EVENTS

We have several special events approaching soon. We just would like to clarify a few points.

- Space is limited so try extra hard to stick to our guidelines of who is invited. Especially if we need to move them indoors.
- Parking is also limited so prepare to park down Beck Lane and keep an eye out for all individuals walking to/from the center.
- If you want to leave with your child after the festivities you must check them out with their teachers so we can keep accurate attendance and know who they leave with.
- Most importantly, HAVE FUN!

Staff Changes

We have a few new staff members joining us.

Mr. Cody will be joining us on May 8th in the Frontiers room. Keep a look out for a little write up introducing Mr. Cody will be coming soon.

Ms. Megan will be joining us on May 15th. She is a college student in Madison WI. She will be filling in as a floater staff during the summer.

Give them both a warm NSEC WELCOME

Teacher Appreciation Week

The week of May 1st is Teacher Appreciation week. Renee, Kristin and Mary would like to thank all our teachers for their hard work and dedication they put forth every day for the children of Nature's Scholars. You're all AWESOME!
