Upcoming Summer Schedules

Summer activities are still a work in progress. We are trying to confirm as much as possible as soon as possible. You should have received a confirmation of requested days with your upcoming summer tuition amount listed.

The summer calendar is due to come out in the coming weeks. As a reminder, all students enrolled for the summer will be charged an activity fee. This fee is to cover the special days we offer during summer, in-house special guests, and entertainers. If your child is not normally scheduled on one of the activity days, they are welcome to join us if an adult attends with them for that specific time only.

Off-site field trips for the Frontiers, Rangers & OG will need chaperones and the extra attending students do not need an adult to attend with them. Those classrooms will have a slightly higher activity fee. In addition to the in-house special guests, those three classrooms will include 3 additional off-site field trips, t-shirt and materials for special projects and experiments. Look for the packets to be distributed in the next couple week. Thank you for your patience

Reminders

Please keep an eye on the wonderful Midwest weather weekly and make sure you child is prepared to go outside! If you have an extra pair of mud boots please feel free to label them and leave them here!
