Summer Reminders

- Please make sure your child always has a change of clothing and bathing suit in their backpack. If your child was sent home in clothing and it is marked NSEC, please wash and return the items. Socks and underwear are purchased by you if we supply those items. Those charges will be added to your account if needed.
- ALL water bottles need to go home daily and need to be washed. This is for ALL classrooms please!
- All towels & suits must go home on the last day of the week your child attends to be washed and returned on their next attendance day.
- With our field trips kicking off please make sure you are checking what time to drop off your child to make sure that we all load the busses on time to get to our destination on time.
- Our sickness policy states that children cannot come in if they have any illness. That means that they cannot have medicine at home to subdue symptoms and then be brought in. It states that your child must be symptom and medicine free for at least 24 hours before returning.
